

RESERVED PARKING

NEW FOR 2007

The Fayette County Fair in order to relieve parking congestion on the Southeast side of the fairgrounds has implemented a reserved parking system between the dairy barn and Stephens building. Parking spaces will be assigned by a lottery system. All reserved parking spaces will be numbered. A corresponding numbered parking permit will be issued that must be displayed at all times when the vehicle is parked. While the parking spot is for one vehicle, the permit can be moved between different vehicles as necessary. The parking permit which is valid from Tuesday through Saturday will cost \$20.00.

To reserve one of the parking spaces, please fill out the form below and return it to the Fair Office along with your payment. All applications for reserved parking must be AT the fair office by NOON on Saturday, July 21.
