THE ROLE OF 4-H IN THE COUNTY FAIR

Fairs are an opportunity for Iowa's most valuable resource – PEOPLE – to have a unique 4-H learning experience. Fairs provide:

- Learning and fellowship through **Evaluation, Education, and Encouragement** – for 4-H'ers, their families, 4-H volunteers and the public.
- A “showcase” for the public to see “4-H in action” and become familiar with the total scope of the Iowa Youth and 4-H Program.

Since 4-H focuses on people, the growth and learning of each individual is more important than the outcome of a competitive event, product, article or animal exhibited. Exhibits and fair activities should provide an opportunity for youth in all types of 4-H clubs and groups to educate others about what they have learned by being involved in 4-H. Our challenge is to merge the traditional orientation of fairs (products, livestock, and competitive events) with 4-H'ers commitment to the individual growth and life skill development of youth.

GENERAL 4-H & FFA LIVESTOCK RULES AND REGULATIONS

Qualifications of 4-H/FFA Members

1. All exhibitors must be 4-H or FFA members enrolled in a Fayette County 4-H club or one of the following FFA chapters: North Fayette, Oelwein, Starmont, Sumner-Fredericksburg, Valley or Wapsie Valley by May 1 of the current year. **4-H members must attend 4 of the 7 local club meetings held from October 1 to entry day** – 4-H leader will certify member's attendance. FFA members must be in good standing and projects must be under the supervision of their FFA Instructor.
2. 4-H and FFA members in grades 4th-12th grades (or that equivalent) are eligible to participate in livestock and non-livestock activities. Clover Kids members in grades Kindergarten – 3rd grades (or that equivalent) are eligible to participate in Clover Kids small animal and non-livestock activities.
3. Only livestock projects identified on identification forms or weigh-in sheets on file at the Fayette County Extension Office by May 15 (May 16th for 2011) of the current year may be exhibited.
4. 4-H & FFA membership is open to all youth without regard to race, color, national origin, religion, sex, age, or disability.

Livestock Identification and Ownership

5. All animals must be owned by the exhibitor or in partnership with a family member and identified to an individual 4-H or FFA member by May 15 of the current year. When registration papers are involved, the papers must either be in the exhibitor's name or show a logical family relationship (parents, step parents, legal guardians, grand parents, siblings and step siblings). Animals changing ownership after being identified as a project are ineligible to be exhibited for that 4-H year. Animals may be exhibited by only one exhibitor.
6. Exhibitors may substitute animals, due to health related conditions, provided the substituted animal is weighed-in and/or is listed on their Identification Form on file at the Extension Office.
7. No animal is eligible for exhibition in a 4-H & FFA show at the Fayette County Fair if it has previously been shown as a 4-H or FFA project in another county in the current year (does not include the Big 4 Fair).
8. Fayette County Share-a-Project Agreement – The objective of the share-a-project agreement is to allow 4-H'ers who cannot house or own a large animal (beef, sheep, dairy, swine, sheep, horse, etc.) to show at the fair. Share-a-Project will allow exhibitors to make a written agreement with someone owning large animals, and exhibit an animal at the fair as long as the requirements of the agreement were fulfilled. **4-H members are allowed one animal per species and must not have any other animals of that species in their name.** Share-a-Project Agreement Forms are due by May 15, of the current year along with the Livestock Identification Form and a photo of the animal. These animals are not eligible for State Fair.

Fair Entry Requirements

9. Entries are due to the Extension Office by 5 p.m. on June 15, 2011. Entries postmarked June 15, 2011 will also be accepted. Between 5 p.m. on June 15 and 5 p.m. on June 22, entries will be accepted but will be considered LATE and a \$10.00 LATE FEE will be charged. After 5 p.m. on June 22, NO ENTRIES WILL BE ACCEPTED FOR ANY REASON AND 4-H AND FFA MEMBERS WILL NOT BE ALLOWED TO EXHIBIT.
10. All entries must be turned in to the Fayette County Extension Office in Fayette. Entries turned in to the Fayette County Fair Office in West Union will be considered late entries.
11. 4-H and FFA livestock and non-livestock exhibitors in grades 4-12 must purchase an exhibitor's ticket for \$5. Livestock exhibitors must also pay entry **and bedding** fees (individual rates listed on entry form). EXCEPTION – those families with lifetime memberships. Their children (14 and under) will not need exhibitor tickets. Lifetime membership passes must be picked up each year at the fair office.
12. 4-H & FFA members may enter eligible animals in the open class show. Members intending to exhibit in these classes are governed by the rules of the various open class divisions. 4-H & FFA exhibitors showing in open class must buy open class stalls for animals not entered in the 4-H/FFA show and can stall all their animals together (write OPEN CLASS STALLS on 4-H entry form).
13. Extra stall requests will be handled by availability. No guarantees or refunds.
14. Market animal ear tag numbers do not have to be specified at the time the entry is made.
